

Coast Digital provide Hosting Solution to Curtis Fitch

Curtis Fitch has recently established a close working relationship with Coast Digital to provide a secure, cost-efficient, scalable hosting solution.

“Curtis Fitch facilitates the world’s largest online reverse auction – with help from Coast Digital’s secure hosting.”

Coast Digital - Background

- Specialist digital marketing agency founded in 2002
- Rated as one of the Top 100 UK Interactive Agencies by New Media Age
- Accredited partners with Google, MSN, Yahoo Search Marketing and Miva
- Core competencies - consultancy, design and build, and online marketing
- Clients include Wiltshire Farm Foods, Slendertone, Office Shoes, Swatch and Weightwatchers.co.uk

Coast Digital - Hosting Strategy

Coast Digital offers a range of professional managed hosting services. They provide complete security and flexibility of choice. Their competitive, high quality hosting is tailored to the exact requirements of their client business.

- Creating a robust, secure, cost-effective, hosting solution for reverse auction web sites
- Providing 100% uptime during core business hours – this target has been delivered consistently to Coast Digital’s clients, using Telehouse, the largest and most successful network operation centre in Europe

The combined skill sets of Coast Digital and Curtis Fitch in consultancy, creativity and innovative technology, have already generated a dynamic working relationship, which is sure to develop a vibrant future for their mutual success
